The long awaited SACD from [Blue Coast Records](#) featuring [Art Lande](#) will make its debut at the Rocky Mountain Audiofest, Oct 10-12.

Art Lande, the masterful jazz pianist from Boulder, Colorado recorded this very special selection of pieces with producers Cookie Marengo and Jean Claude Reynaud. Songs range from the Beatles, to Stephen Foster to Duke Ellington intertwined with compositions of Lande's own. The audiophile quality release uses a modified recording style of the ESE technique developed for Blue Coast Records.

To celebrate the release, Blue Coast Records will host an event at the [Rocky Mountain Audiofest](#) show with Art Lande performing solo piano pieces from the recording. The event takes place on Saturday, Oct 11, 7pm at the Denver Marriott Tech Center. Blue Coast is also hosting a room at the Marriott for Audiofest where attendants can listen to the recording on an incredible speaker system provided by the LSA Group.

Blue Coast Records will also showcase one of its new artists, [Justin Saragueta](#), performing on Friday at 8pm. "Gueta" is a singer/songwriter from Huntington Beach, CA. A former golf pro turned surfer turned musician, Gueta brings his unique view on life to his songs with effortless cruising grooves and international flavors.

Sharing the room at Audiofest with Blue Coast Records is [FestivaLink.net](#). The high rez live download company is sponsoring an iPod giveaway with preloaded music from FestivaLink.net and Blue Coast Records. The LSA Group will be providing the sound system for the event. As part of Blue Coast 'World', there will be a dozen or more CD quality downloads available at [bluecoastworld.com](#) from various new labels.

For those interested in purchasing the disc, we are offering a special \$10 discount on the purchase of the disc.
